

We ♥ making your life easier with myPRO

The new Smart Professional laundry solution for small businesses. Just load, start and relax – myPRO works while you work and delivers great laundry results at the touch of a button.

Machine break downs, slow programs and poor wash results are some of the issues business owners struggles with when domestic Washers and Dryers can't meet their needs. At the same time, outsourcing laundry or buying advanced professional machines can be overly costly. myPRO stands for longer-lasting machines and faster cycles. So you get top quality laundry results without the inconvenience – and your customers will notice the difference.
