

2 DOOR – GLASS DOOR MERCHANDISER WITH REFRIGERATED LOCKER SYSTEM

POWDER COATED ALUMINIUM • 404 STAINLESS

Providing reassurance with your own secure space:

- 20 individual lockers
- Minimising the risk of food contamination
- Safe food storage for multiple users
- Easy to use, operate and maintain
- Optional revenue generator
- Australian designed & manufactured

“Continually looking at ways of keeping our staff happy, healthy & making their work life easier is very important to me and the broader Datacom. The fridge created a real buzz in the office. No more \$10 average sandwiches, people can bring in real gourmet food from home, knowing it is stored well.

Lisa Thorburn | Director | Datacom Systems ACT
