HOW ONLINE TRAINING WORKS

RapidClean in conjunction with Registered Training Organisation Daniels Associates, offer a comprehensive range of affordable Online Cleaning Training Courses packed with valuable information. There are currently 14 courses available covering all the basic aspects of cleaning operations and knowledge requirements for Certificates II and III in Cleaning Operations.

ONLINE TRAINING BENEFITS

- ▶ Affordable and available online 24/7
- ▶ Simple to use and packed with valuable industry relevant information.
- ▶ Enrol any time of day or night and start your course immediately.
- ▶ Users have 12 months to complete a course and can be accessed for 12 months after the date of enrolment.

ENROLMENT PROCESS

Visit www.rapidclean.com.au/training and select a course. Once selected, you will be taken to the course enrolment portal. After completing your enrolment form, payment can be made by credit card or a company voucher. Once payment is made, you will then receive an email with your user name and password.

COURSE STRUCTURE

Each section requires you to answer a number of true/false or multiple choice questions. You must answer all questions correctly in order to move to the next section. Should you answer any questions incorrectly, you will be informed of your incorrect answers and re-directed to the beginning of that section. After successfully completing a section, the system will automatically save your answers. Should you log out and log back into the course, you will be taken to the section you last left off. Once you have successfully completed your course, your certificate will be automatically emailed to you.
