# INTRODUCING OUR NEW, FASTER RANGE

The new-look Speedibake is delighted to announce a brand new range of **Classic** and **Rustic** dinner rolls & sliders, lunch rolls and sharing loaves for all meal occasions.

Our new expanded range is more convenient and quicker to prepare.

You can choose to either:

## 'FLASHBAKE'

For that just-baked taste and aroma, simply 'flashbake' our bread for a couple of minutes – less than half the time of traditional par-bake.

or

## 'THAW & SERVE'

For added speed and convenience without the compromise, simply 'thaw & serve' any product from our new range.

With a freezer shelf life of 12 months our frozen bakery products are the perfect solution for your busy kitchen.

**WE TAKE THE TIME, SO YOU DON'T HAVE TO**
